ANGEL EYES

Played in dropped-D tuning (low to high DADGBE), and without a solo,
unlike Jeff Healey's version.

<Riff> x2 (see below)

```
D               D/F#   G               A
```
 Girl, you're looking fine tonight

```
D         D/F#              G           A
```
 And every fella's got you in his sights

```
G           D            Em            D/F#
```
 What you're doing with a clown like me

```
G         D/F#                   E
```
 Is surely one of life's little mysteries

```
    D              D/F# G           A
```
 So tonight I'll ask   the stars above

```
D        D/F#    G        A
```
 How did I ever win your love?

```
G             D/F# F#(/A#)         Bm    A
```
 What did I do,   what did I say

```
G         D          A         D
```
 To turn your angel eyes my way?

<Riff>

And I'm the guy who never learned to dance

I never even got one second glance

Across the crowded room, that was close enough

I could look, but I could never touch

So tonight I'll ask...

```
              G/D  D     Em          Bm
```
Don't anybody wake me if this is a dream
```
                G/D  D                    Bm
```
'Cause she is the best thing that's ever happened to me
```
        G/D D              Em          Bm
```
All you fellas you can but look all you like
```
         Em                   D/F#   G          A
```
But this girl you see, she's leaving with me tonight

<Riff> x2

And there's just one more thing I need to know

If this is love then why does it scare me so

Must be something only you can see

But girl, I feel it when you look at me

So tonight I'll ask...

What did I do, what did I say

To turn your angel eyes my way?
