Don't you think about here when you trying to drive

transcribed by JAYWILL [capo 2nd fret] -----3-----3-----3----------5-----5-----5-------4/5-----5\4------1 repeat _____ _____ strumming G F G repeat F She don't know who you're missin' F G Drivin' down that lonesome road tonight Looking for one starlight glowing F G Or her face shining in the dashlight C F G C Driving out of Natchez F You drive her back and forth across your mind Dm Tires squeal as the wheels spin faster G Love's gone for good this time CHORUS: $\mathsf{C} \qquad \mathsf{G} \qquad \mathsf{F} \qquad \mathsf{G}$ Don't think about her C G F Move on, you're lucky just to be alive C G F G You'll live without her Just doncha' think about her F G C G F G When you're trying to drive A heart in your condition Shouldn't be out on that road tonight Bad clutch and your load keeps shiftin'

```
Hold on, Buddy you'll be alright

You'll wake tomorrow morning

Probably be in Memphis or somewhere

They won't know one thing about her

Those lips, those eyes, that hair

CHORUS end on F for (drive)

F
You make that phone call

G
You'll hear her sayin'
F
G
"Hello, who's there, is it somebody playin'?"
F
G
You won't be able to utter a word
F
She's better off not knowin'
G
C into chorus
Where it is you're goin'
```

Doncha' think about her

Tryin' to drive
