## LITTLE HEAD

note: D and A must be played in the  $5 \, \mathrm{th}$  fret. G in the  $3 \, \mathrm{rd}$  and e in the  $7 \, \mathrm{th}$  fret.

Intro: D (while other guitar plays the infamous gliding Immerglück-note)

D  $\ensuremath{\mathsf{G}}$  I'm dirty as a man hole cover

She turned me out and now I'm sinking

D A D I'm just so easily led when the little head does the thinking

D A
I'm feeling like Eddie Vedder

D G Only twice as cool when she starts winking (uhu)

 ${\tt D}$   ${\tt D}$   ${\tt A}$   ${\tt D}$   ${\tt I'm}$  just so easily led when the little head does the thinking

BRIDGE:

 $\ensuremath{\mathsf{G}}$   $\ensuremath{\mathsf{D}}$  I'm loyal as a dog but I'm a hog for that sexual attraction

G

It starts up in my mind and makes a bee line below the belt

 $$\rm A$$  No consequences just satisfaction

Baby in my heart I'm faithful
This two headed monster is so distasteful
Forgive me when my instincts start stinking (uhu)
I'm just so easily led when the little head does the thinking
I'm just so easily led when the little head does the thinking
Think about it...

---- solo ---- (verse)

Forgive me if my instincts start stinking I'm just so easily led when the little head does the thinking
