

Rock of your love

transcribed by JAYWILL

C F C
It ain't like I'm so tough,
 Am
you should me to the heart
 G C
you shook me sure enough

C G
You turned my whole world upside down

 Am
I tried to run away

 F G C
but I just ran a ground

C F C G C
On the rock of your love

C F C D7
on the stone hard truth

 F C G Am
on the rock of your love

 F G C
I found my living proof

You pierce through armor plated steel
you pierced me to my soul
you forced me to be real

I feel the strength of twenty men
when I am in your arms
I smash those fears again

On the rock of your love
on the stone hard truth
on the rock of your love
I found my living proof

G
I'm crashing like a wave tonight
F C
upon your distant shore
F C
I have found the solid ground
Am G C
That I've been looking for

On the rock of your love
on the stone hard truth
on the rock of your love
I found my living proof

on the rock of your love
I found my living proof
